School**

June 2020

Dear Parent/Carer,

## Star Bug Hunt Challenge: Summer Competition for Reception and Key Stage 1 pupils

Thank you all for the wonderful support you are giving your children during these testing times. You are making a huge difference by helping them to continue their learning at home.

I am writing to announce an exciting competition that is open to all Reception and Key Stage 1 pupils (Year 1 and Year 2) across the Star Academies family of schools: We are going on a bug hunt!

We are encouraging our pupils to go outside and discover the world around them. Your child's approach to the competition can take any form and I have every confidence that, with your encouragement, they will produce some inspiring creations.

More information, including a leaflet and short video, can be found at: [www.staracademies.org/news-story/star-challenges/](http://www.staracademies.org/news-story/star-challenges/). Please take a photo of your child's completed entry and send it by email to [science@starbank.bham.sch.uk](mailto:science@starbank.bham.sch.uk). The deadline for entries is midday on Friday 19th June. Please ensure that the submission includes your child's name, year group and, if applicable, the name of their class.

We will review all entries and shortlist two of our children's work to be submitted into the national final, where their work will be judged alongside pupils from other Star schools across the country. The top three entries will all be awarded a prize. Please see the leaflet on our website for more information.

We intend to share a selection of the entries online, so please note that by entering the competition, you are giving permission for your child's work to be published on the Star website and social media accounts along with their name and school. I hope that you and your family stay safe and well.

Thank you again for your support and partnership, which are greatly appreciated.

Yours sincerely,

Mr Riaz

Mrs Mahli

Mrs Portlock
